## ABOUT THE STATE

Frank Taylor was arrested in Burling-  
ton Thursday, charged with stealing  
from a freight car in South Hero. The  
car in question is one which is used as a  
living place by workmen, and Taylor is  
charged with breaking into and taking  
a coat, a watch, chain, two knives and  
other property belonging to John Bove.

The Van Camp Packing company of  
St. Albans is going on with the boring  
of its artesian well, day and night. The  
well is now down 350 feet, with the  
water frequently coming over the top.  
The water comes from the southeast and  
is clear and cold, of about 45 degrees. It  
is expected that a big flowing well will  
be struck now very soon.

Alvin F. Smith, retired, 10 West street,  
Barre, Vt., says: "I have never relapsed  
into the serious condition in which I was  
before taking Doan's Kidney Pills in  
1897. At that time I had terrible pains  
across my back and it was almost im-  
possible for me to stoop on this account.  
When I changed to Doan's Kidney  
Pills, I procured a box at E. A. Drown's  
drug store and found prompt relief."

**Automobile Business to Boom**  
in the Coming Season.

Automobile dealers in Barre and Mont-  
pelier are active in their preparations for  
an extensive sale of autos for the coming  
season. J. J. Williams, the pioneer  
automobile dealer, has closed a contract  
for the agency of the E. M. F. automob-  
iles. The E. M. F. has been the sensa-  
tion of the market since the announce-  
ments of the 1909 season. The principle  
question about the E. M. F. automobile  
is can they be obtained, and dealers are  
fast in placing deposits on as many E.  
M. F. cars as possible to be sure to  
have them, while the members of the  
million-dollar company, who are the  
most experienced auto manufacturers in  
the country assure the dealers the cars  
will be forthcoming. The E. M. F. is a  
30 horse power, 5 passenger, 4 cylinder  
shaft drive car, 106 inch wheel base,  
equipped with double ignition, including  
magneto, fully equipped with lamps,  
horn, etc., for \$1,250. Such a car a year  
or two ago at \$2,000 or \$2,500 would  
have been startling value, while it is  
now offered at only \$1,250, which is the  
price that comparatively antiquated  
models have sold for in the past season.

Samples of the E. M. F. cars will be on  
exhibition about January first, at the  
Williams Automobile Station, Main  
street, Montpelier, Vt.

Mr. F. I. Babcock, 30 West street,  
will handle and represent E. M. F. cars  
in Barre for J. J. Williams.
